

Selling Lambs Prior to Weaning

As lambing progresses and the early lambs are getting close to targeted sale weight, did you know you could sell your heaviest lambs before they are weaned?

Please follow the below steps to set this sale up:

1. Go to the breeding mob -> numbers screen
2. Click in the month when you would like to sell, in the sell column
3. Go to the New button located just below the table
4. Enter the date of sale
5. Adjust the properties to be as shown below:

04 Dec 15

\$/kg	2.77	
\$/head	50.54	
\$ Total	4043	

	Before	After
Mean	33.3	33.1
Count	2301	2221
Number Removed		80

Comment:

Don't forget, when you receive your kill sheet, to enter the actual carcass weight and price received for the sale. This is important to enter this information as it updates your file and makes it more accurate.
